

DIGITAL CURRICULUM

Texas Course Lists: 2023-2024

Elementary School Course List

Middle School Course List

High School Course List

NATIONAL DIGITAL COURSE CATALOGS

Our new digital **elementary**, **middle school**, and **high school** course catalogs include details about each course, including materials required, digital-first options, and more!

Foster a love of learning and set students on the **pathway to lifelong success** with an online curriculum designed to help them realize their potential. Our **digital courses** cover a full spectrum of **core subjects and electives**, all supported by **cutting-edge online technology** and brought to life by **extraordinary educators**. Stride Learning Solutions digital courses combine rich content with proven pedagogy to facilitate **dynamic, engaging online and blended learning** experiences to meet your district or school's unique needs.

Our expansive course catalog for **grades K–12** allows you to **meet every learner's needs—from those who are struggling** or at risk of dropping out or not graduating on time **to those seeking greater academic challenges** or enrichment in their learning. Whether your students are looking to launch a career right after graduation or pursue postsecondary studies, our digital curriculum will provide them with more options to **jumpstart their futures today**. Give us a call at **844.638.3533** to discuss how together we can pave the way to a bright future for all learners.

The courses in this list reflect offerings for the **2023–2024 school year** for the state of Texas only. District certifications, teacher availability, and other factors may impact instructional support availability. All K–12 courses specific to the state of Georgia are available on the TotalView platform.
